

INVITES YOU TO A MONITOR REPAIR CLASS

Ceronix, Inc. is offering a two day LCD and CRT monitor repair class at our facility in Auburn, California. Troy Nofziger will provide you with 14 hours of familiarization and hands-on repair of Ceronix LCD and CRT monitors. Day one will entail CRT trouble shooting. Day two will entail direct replacement LCD. Including troubleshooting, complete disassemble and reassemble, becoming familiar with our electronic revisions, and lamp replacement. Ceronix Inc. will provide certificate upon completion of class.
